

CHRISTMAS MOUNTAIN VILLAGE

Central Wisconsin's four-season vacation paradise

In the heart of the Wisconsin Dells, Christmas Mountain Village is the kind of place you'll want to return to with your family year after year. This gorgeous golf-and-ski resort spreads out across a mountain and rolls into a picturesque valley. Scattered between the RV sites, rental cottages and vacation homes are 27 beautifully manicured golf links. You can tee up on the 18-hole Oaks course for a challenging round or take the family to the fun nine-hole Pines course.

Christmas Mountain offers every other recreational amenity you'd expect at a first-class resort, from basketball and tennis courts to shuffleboard, horseshoes, a softball field, two sand volleyball areas, five playgrounds and 18 holes of miniature golf. For the ultimate winter adventure, there's downhill and cross-country skiing, snowboarding, snowshoeing and tubing right at the resort.

The pond is the place to fish for bluegill, perch and bass or borrow a pedal boat, kayak or canoe. From Memorial Day through Labor Day, four outdoor pools let you soak up the sun. Head indoors for yet another swimming pool with a water basketball court and two kid-friendly waterslides, plus a dry sauna and a sizable year-round hot tub outside.

The Coast Deluxe Resort's impressive amenities extend from the fitness center to the clubhouse, complete with concierge service. As you'd expect at a resort of this caliber, activities take place almost daily, from wood crafts to cookie decorating and card games. Tournaments range from fishing to minigolf, ping-pong and Wii bowling. You can catch your favorite sports team on the big-screen TVs in the bar-and-grill or grab a bite at the restaurant downstairs.

Just a few miles away is Wisconsin Dells with more water parks than any other city in America. There's much more, of course, including boat tours, theme parks and all the usual suspects common to popular family destinations.

Back in camp, you'll find your RV site deep in the shade of stately trees with water, sewer and 30- or 50-amp services, cable TV and free Wi-Fi. Three bathhouses supply hot showers, and each campsite comes with a patio, a picnic table, a fire ring and a charcoal grill. It's a tranquil retreat in a bustling vacation paradise.
