

WALLY WORLD RIVERSIDE RESORT

Explore Ohio's Mohican River and Walhonding Valley

Three years ago, Travel Resorts of America purchased Wally World Riverside Resort, a beautiful place on the banks of the Mohican River in the heart of Ohio's Amish country. Now a Coast Premier property, the resort stretches along the Wally Road Scenic Byway, a 10-mile route that parallels the Mohican River and follows the former Walhonding Valley Railroad, one of the most breathtaking train rides of its day.

With 26 acres of riverfront property, Wally World has a lot more going for it than railroad history and awesome scenery. For starters, it's at the center of a recreational playground in the self-proclaimed Canoe Capital of Ohio. You can venture out on the Mohican in a traditional canoe or kayak, float your cares away on a raft or tube, and cast your line for bass and catfish. Lace up your walking shoes for a hike in neighboring Mohican State Park or Mohican-Memorial State Forest, or just step outside your RV and stretch your legs along the resort's own wooded trails.

When the sun's out, you can bask in the rays at the swimming pool and soak in the hot tub. When the clouds roll in, get cozy with a good book and send the kids to the game room with an ample supply of quarters. For more family fun, head to Wally World's minigolf course, horseshoe pits and assortment of ball courts. Review the weekly schedule when you check in so you don't miss out on any of the planned activities, theme events and entertainment.

One of four Travel Resorts of America that welcome Coast to Coast members, Wally World makes RVers feel right at home with more than 250 campsites, including 30- and 50-amp sites with water and electric hookups. Each site has its own fire ring, and pets are welcome to share in the fun.

From the sparkling laundry facilities to the air-conditioned bathhouse, Wally World is clean and convenient. The on-site general store means you won't have to leave the grounds to stock up on essentials, and at the end of the day it's good to know there's 24-hour gated security.

Don't leave this part of Ohio without visiting the nearby Amish attractions and the quaint village of Sugarcreek, which celebrates its Swiss heritage with distinctive architecture, restaurants and, of course, plenty of cheese. With so much to do here, you'll be tempted to extend your stay.
