

COMPTON RIDGE RESORT

Just one more entertainment venue
in Branson, Missouri

The best reason to visit Branson, Missouri, may be Compton Ridge Resort. As one of the newest Coast to Coast resorts, a stay at the all-inclusive Compton Ridge Resort may mean you don't even bother venturing outside of the grounds because there's so much to do onsite.

Accommodations include hundreds of RV sites and a modern 30-room motel that includes five suites. All of the units are furnished with updated amenities and televisions. The campground also features a lodge for campers, two outdoor pools and one indoor pool, a country store, and campground-wide wireless Internet access. Large pull-through full hook-up sites with 50 amp electric, water, sewer and cable TV, and conveniently located showers and restrooms, are just some of the amenities for visitors to Compton Ridge Resort.

The convention hall can seat up to 500 people for reunions, rallies, or group gatherings. More like a home away from home, the resort features a number of cabins and a family unit with full baths and fully-equipped kitchens.

And the resort amenities just keep getting better, according to President/CEO Mike Pournoury. "We continue to make improvements including remodeling, redoing the three pools, landscaping, painting and adding new cabins." And the improvements continue.

Set in the heart of the Ozarks, Compton Ridge Resort is located a mile from Silver Dollar City, close to Table Rock Lake and minutes from the shows of Branson. Practically at the center of the United States, Branson is less than a day's drive for one-third of Americans. The area features live theaters and attraction venues and active recreational pursuits.
