

PONDEROSA FALLS RESORT

Nestled among beautiful pines in the foothills of Eastern Washington

Ponderosa Falls Resort – K/M Resorts of America is just one of the beautiful resorts owned and managed by K/M Resorts. Owner Douglas James McLeod bought his first resort in 1987 and has since added seven more parks. K/M, named for his children Kevin, Kraig, Kelli, and Michael, has truly become a family affair that strives to provide safe, affordable, private resorts with activities for members to enjoy.

And Ponderosa Falls Resort certainly does that. Once through the 24-hour gated security entrance, pull into one of the spacious RV sites with 30 and 50-amp electricity, phone service, and Wi-Fi, and settle in for either a fun-filled vacation or one of quiet relaxation. On the fun side, enjoy the heated indoor pool and adult spa, exercise in the workout room, or play games in the video arcade. Try your hand at themed mini-golf, play sand volleyball, or challenge someone on the sports court. There's a kiddies lagoon and children's craft area for the younger folks.

Off-site, explore Cheney by taking a downtown Cheney walking tour or stroll onto Eastern Washington University and follow the walking tour brochure for some moderate exercise. For more adventure, the Columbia Plateau Trail State Park is a 130-mile-long rail-bed trail that traces the 1908 original path of the Spokane, Portland and Seattle Railway. The route is steeped in history, which is re-told at interpretive kiosks on the trail. Activities include hiking, bicycling, horseback riding and in-line skating. See deer, elk, and moose when you pass through the Turnbull National Wildlife Refuge.

If you visit during the second week in July, bring your cowboy hat and boots and enjoy the Cheney Rodeo Days, a PRCA-sanctioned event.
