

BRANSON RIDGE RV RESORT - OCEAN CANYON PROPERTIES

Come for Branson’s entertainment and stay for the beauty

When you head your RV toward Branson, Missouri, you probably have entertainment in mind. With more than 100 live shows, three beautiful lakes, championship golf courses, and more than 250 places to dine, you can have a new experience every day. But when you're tired and are ready to leave the bright lights behind, relax at nearby Branson Ridge RV Resort.

“It’s located right in the heart of the Ozarks,” says Ben Carr, Vice President of Operations for Ocean Canyon Properties. “There are beautiful lakes and gorgeous mountains and the electric atmosphere of Branson nearby.”

Once onsite at the resort, you’ll have your pick of RV sites with plenty of space and lush views. If you traveled without your rig or you have extra guests, reserve one of the 30 motel rooms or suites. Amenities include two outdoor pools and one indoor pool. You’ll love the campground-wide wireless Internet access and the convenience of a country store that will keep you supplied with necessities. The knowledgeable staff and clean pet-friendly facilities will make your stay a

cut above. Meet new and old friends at one of two covered outdoor pavilions, or join a pick-up game at the basketball court.

When you’re recharged, head out to explore Branson and nearby environs. The beautiful lakes offer all sorts of water sports. There’s horseback riding, mini golf, ziplining, spas, and great shopping. Adults will enjoy nearby wineries that feature grapes grown in the verdant region.

Plan to spend one or two days at Silver Dollar City. Stop and watch craftsmen creating everything from glass items to leather goods, from pottery to candy, and from baked goods to items created by the theme park’s own blacksmith. Plan your stay around one of the theme park’s festival of events: Spring Ride Days, Bluegrass & BBQ Festival, the Star Spangled Summer, and more.
