

LEISURE POINT RESORT

A property nestled along a Rehoboth Bay tributary

Leisure Point Resort in Millsboro, Delaware is located along the Delaware Coast, which has long been renowned for its clean, sandy beaches and excellent fishing, crabbing, and clamming. What Delaware may lack in size, it makes up for in the beauty of its coastline along the Delaware Bay and the Atlantic Ocean. Guests at Leisure Point Resort get an added bonus because the resort is located on a tributary of Rehoboth Bay.

Onsite amenities include spacious tree-shaded campsites, a 319-slip marina, and full marina store. The slips accommodate everything from small jon boats up to 28-foot V-hull or pontoon boats. For exercise, enjoy the swimming pool, fitness center, volleyball, horseshoes, and basketball.

The clubhouse is a great chance to meet your neighbors and join in on some of the planned activities. Every week from Memorial Day through Labor Day, attend church services, ceramics classes, family bingo, and water aerobics. Take advantage of 50-amp electricity, cable TV hookups, and Internet access.

Nearby attractions include Cape Henlopen State Park, the Cape May-Lewes Ferry, and all of the summer excitement of the Rehoboth Beach boardwalk.

Cape Henlopen State Park has many year-round hiking and biking opportunities.

Experience the park's scenic and ever-changing landscape along the three-mile-long paved trail that loops the park. Take a trail break and climb to the top of the World War II Observation Tower, where the 360-degree views are spectacular.

The Rehoboth Beach boardwalk stretches over a mile long and is lined with beach shops, restaurants, and other amusements. The boardwalk is a year-round place for festivals and events, fitness competitions, and daily strolls to enjoy the ocean views.

Whether you're crossing the Delaware Bay for a day trip, vacation, weekend getaway or as part of a long-distance excursion, your journey will create wonderful new memories when you board the Cape May-Lewes Ferry.
