

New Membership Type

New BG Membership Type 03.2015

If you see a BG (Bluegreen) member type on the *Arrival, Departure, Who's Here and Cancellation Report* or the *Update to Reservation Activity Report*, please be aware of the following:

1. Bluegreen (Christmas Mountain Village Campground and Shenandoah Crossing Resort and Country Club) is trying to discourage these members from making last-minute changes to reservations.
2. The Bluegreen membership type does not have the benefit of a Drive-Up reservation and a rule will display if such a reservation is attempted.
3. Bluegreen members are paying Coast to Coast through Bluegreen Points, which are converted to Trip Points.
4. This conversion results in Coast to Coast resorts seeing the *Total Cost of Reservation* and *No Show Fee* differently for this membership type.
5. Coast to Coast does not collect any fees from the penalties incurred by this membership type.
6. Remuneration to your resort will be at the current level, subject to the minimum length of stay and other Coast Rules.
7. If you have any questions please contact Coast to Coast Resort Services by e-mail, fax or call the Resort Helpline:
