

Little Mountain Resort

LANGSTON, ALABAMA

There's a good reason to point your RV toward Alabama, and it has a lot to do with 70,000-acre Guntersville Lake and the beautiful resort that hugs its shoreline. Little Mountain Resort overlooks 2,000 feet of waterfront, making it a breeze to slip in and out on the water.

As you might imagine, the big fish living in that big lake are a major attraction. Guntersville Lake is noted for its crappie and record-size bass—did we say *big*? Summer boating, swimming and water-skiing are popular activities here, as are the annual speedboat races and full-sail regattas.

Ever had a notion to invite friends or family members to join you on a resort holiday? This is the place, because Little Mountain Resort has cabins for rent.

The variety of amenities will make everyone smile, from the indoor and outdoor pools to the teen center, miniature-golf course, playgrounds, exercise room, indoor and outdoor spas and saunas, basketball and tennis courts and shuffleboard. There's a large clubhouse with a 500-seat great hall. Don't imagine you'll be bored at this Alabama home-away-from-home.

Open year-round, Little Mountain Resort has 330 full-hookup RV sites and 34 partial sites, accommodating rigs up to 43 feet. Each site has a cement patio, a picnic table and a barbecue grill.
